Spring 2009 Special Events Recap

Coastal Boxer Rescue had a very busy spring!!! We hosted and attended events from Broward to Brevard! Desperately needed fundraising efforts were extremely successful. Here's a recap from South to North: Pompano Pet Lodge hosted Easter Bunny Pet Photo shoot and "EB" also made an appearance at Markham Park Pet Fest. Palm Beach County volunteers hosted a dog wash at Pet Supply Plus, and attended an adopt-athon hosted by

North Shore Animal League, a no-kill shelter of the tri-state area. Yappy Hour is a monthly event on Thursdays in Tradition, St Lucie County. And Brevard Volunteers and numerous fosters attended Marti Paws in Melbourne. It was a great day for adoptions too! Thanks to ALL the volunteers and fabulous boxers that made these events a SUPER success!!!

Miami Animal Police

CBR has been presented with an amazing opportunity. We were honored to be asked to participate in Miami Animal Police which is televised on Animal Planet. Thanks to Amy Blitz and Laura Bolinsky who work tirelessly to help dogs in Miami-Dade and Broward Counties we were able to rescue four boxers that will be showcased on episodes of Miami Animal Police this Fall. The first boxer that was confiscated from her owner for neglect, was Sassy. Sassy was skinny and had a pretty bad case of Demodex. Next Max was found with an even worse case of Demodex as well as severe secondary skin infection. Luke and Tyler (nicknamed "Itchy and Scratchy") are a pair of boxers confiscated from the same home with severe sarcoptic mange. Several members of CBR have been interviewed for their stories. Keep an eye out for CBR's debut on Animal Planet!!!

"A house without a dog is as strange to me as a house without windows."
